*As Lent draws to a close, each Spring day is gradually suffused with increasing light. All around us, nature is waking up from the long darkness of winter. **This Sunday's readings** encourage us to stir from our own darkness and turn towards growth and transformation out of pain and suffering. The prophet Jeremiah makes a great proclamation: 'See, the days are coming... when I will make a new covenant with the House of Israel'. God's eternal covenant of love and forgiveness is written deep within our hearts. In the **Gospel**, Jesus speaks of the personal suffering and death that he will soon be facing. He knows that he could ask his Father to save him from this fate, but instead he willingly makes a choice that leads to our salvation. Jesus invites us to follow his way of living. It is not an easy path to travel, but Christ is always with us, helping and sustaining us.*
