BIG THANK YOU to all of you for your support of the parish and to me this year. Special thanks to those who carried out various ministries during Mass, helped to clean the Church and hall and area, who organised works that were carried out, those who helped with hospitality in the hall, with parish socials, etc.

Fabric news: hole in the bar floor needs to be repaired (quote is being obtained), the ceiling of the hall needs to be repaired as well, we need to introduce hot water in our toilet facilities.

Finance News: the monthly Diocesan deductions from our parish account has hugely increased (it doubled). These deductions cover the Diocesan expenditures which ensures the running of our Diocese beyond parish level (which is paid by all parishes proportionate to their income). This increase is due to various factors, including the fact that our parish income has almost doubled by the help of the Polish people (see new Polish Mass), but this means we need to do some fundraising this year in order to meet our own expenditures. Your fundraising ideas are most welcome! Speak to Maureen (parish secretary). I also encourage those who can afford to set up a standing order to do so, please. Thank you: Fr. Gabor

Finance News: the monthly Diocesan deductions from our parish account has significantly increased (by £184/month). These deductions cover the Diocesan expenditures which ensures the running of our Diocese beyond parish level (which is paid by all parishes proportionate to their income). This increase is due to various factors, including the fact that our parish income has slightly increased and other parishes' income has decreased, but this means we need to do some more fundraising this year in order to meet our own expenditures. Please also consider increasing your collection donation. Your fundraising ideas and help are most welcome! I also kindly encourage those who can afford to set up a standing order. Thank you: Fr. G
